

UC Davis Edwards Family Athletics Center

DAVIS, CA

Athletic training & performance center with equipment & resources fitted for an NCAA Division 1 University

The Edwards Family Athletics Center includes training facilities, an 8,000 square foot sports medicine center, a home for academic support, and the Aggie EVO System, athletic offices for multiple sports programs.

The Center is approximately 50,000 square feet and is located adjacent to Bob Biggs Field — a natural grass practice area for use by all 25 athletic programs.
