

## USS Missouri Fire Alarm Installation

HONOLULU, HI

Fire Alarm System Installation aboard the USS Missouri, a museum ship at Pearl Harbor

The USS Missouri is an Iowa-class battleship that was decommissioned in 1992 and became a museum ship at Pearl Harbor in 1999. The ship is most famous as the site of the surrender of Japan, which ended World War II. Rosendin was tasked with updating the fire alarm system on the vessel.
