

Vantage South End East Office Tower

CHARLOTTE, NC

150,000 SF mixed-use building in Charlotte, NC

Rosendin provided complete electrical construction services for this 11-story mixed-use building located in the South End of Charlotte, NC. This tower is the twin to the tower next door, which was also completed by Rosendin. Together, the two buildings total more than 577,000 SF of space and include a conference center, fitness facility, and private terraces.
