

BUILDING INFORMATION MODELING

BEST IN CLASS BIM

Lead. Inspire. Build. For over a decade, Rosendin has been the home of North America's largest and most recognized subcontractor BIM group. Headquartered in Arizona, this group is supported by team members in all of our regional offices. The entire BIM group consists of over 220 full-time Coordinators, Modelers and Detailers, working on projects throughout the United States and abroad..

 ROSENDIN
